Important Notice.

Owing to the increased expenses of every article used in the printing business, and an advance of twenty-five per cent on the expense of composition, we are compelled to increase the cost of the Daily Democrat. Hereafter the Daily, by mail, will be one dollar per month, or six dollars for six months, or ten dollars per year—always in advance.

## Important to News Dealers.

We understand that General Sherman has issued an order by which any person who desires to can soap papers at the front, thus destroying the monopoly which has so long inconvenienced the army, and deprived it of a full supply of papers.

Persons can procure any number of papers at this office at the usual rate of three dollars per hundred; postage added, if by mail.

LOUISVILLE DEMOCRAT JOB OFFICE.—We are now prepared to do all kinds of job printing, plain and in colors, at prices to suit the times and at the shortest notice.

TWELVE MONTHS' VOLUNTEERS IN KENTUCKY.—We direct the attention of readers to the circular from D. W. Lindsey, Inspector and Adj't General, stating that the War Department has authorized the raising of two regiments of infantry in Kentucky for twelve months' service.

These regiments are to supply, in part, the place of twelve months' men now in service. Here is a service, in view of the impending draft, to which the people will respond with alacrity. Read the circulars and see the how-to-do it.

THE MINSTRELS—Adams, Ames & Codd's minstrels opened at Macon's Temple last night to a large audience, who were more than delighted with the performance. The great feature of the evening's entertainment was "Contrabands on a Lord," in which Little Jimmie (who is only five years old) astonished all present. Charlie Codd as a comedian is superior to any we have seen. This troupe will give another performance to-morrow (Saturday night) at Macon's Temple.

It is important that every person enrolled who is entitled to exemption should claim it at once, in order to reduce the enrollment to its proper dimensions and make the quotas as low as possible. Persons who have been exempted heretofore on account of physical disability must apply again, as the enrollment is an entire new one, and the instructors relative to exemptions on account of disability have been materially changed.

A serious difficulty occurred at the Graham Hotel, on Fourth street, near the river, last night, between Wm. Robinson and John Barrett, two rough cut-throats from Pennsylvania. Robinson cut the throat of Barrett seriously, and his life is despaired of. A physician was called in, who gave Barrett all attention. Officer William McGuire arrested Robinson and placed him in jail to answer.

SHOOTING.—We learn that at a late hour Wednesday night a difficulty occurred at a bar-room on Main street, near the corner of Barrett and Fourth, in which a soldier belonging to the hospital was shot in the left side, and severely, if not fatally, wounded. We were unable to learn the origin of the difficulty or the name of the soldier wounded. The person who did the shooting made his escape.

BARRACKS ITEMS.—The recruits yesterday were one hundred and fifty seven men from different points, seventy-one recruits from Jacksonville, Ill., six recruits from Indianapolis, and one from Shepherdsville, Kentucky. The transfers were fifty five men to different points, thirty seven negro soldiers to Cincinnati, five prisoners to Nashville and one to Lexington.

IN THE Democrat of yesterday we made brief mention of the guerrillas on the Louisville and Frankfort railroad, and their appearance at O'Bannon's depot. After being there they went to the place of Mr. Gandy, not far from there, and robbed him of a lot of clothing and a fine horse. The hand was under the command of Capt. Walker, of Arkansas.

ABOUT two hundred guerrillas, under the notorious guerrilla chief, Woodward, crossed the Cumberland river at Harpeth shoals, above Clarksville, on Monday night. On Wednesday morning they were at Salubria, Christian county, Ky., on the Memphis branch railroad. What depredations they committed our informant did not learn.

ACCIDENT.—A hand employee in the cabin and joining factory of McLane & Co. had two of his fingers sawed off yesterday. He had been engaged in the factory for a long time, and at the time of the accident he was sawing a piece of wood. We were unable to learn his name.

ABSCONDED.—We learn that Mr. Kilroy, who has for a long time acted as treasurer and sexton of St. Paul's Church, has absconded with a large amount of money belonging to the congregation. The police are on his track, and he will no doubt be arrested and brought to justice.

YESTERDAY E. W. Bartlett, of company C, Sixteenth Kentucky, who is on duty at the barracks, refused to obey the orders of his officers and resisted them. He was arrested and placed in the guard-house with ball and chain attached to his leg.

THE following persons who were arrested at Bartlett's were brought to this city yesterday and confined in the barracks upon the charge of being guerrillas: Henry Hubbard, W. Collins and Richard Pratt.

WE understand there are several parties in Louisville acting as recruiting brokers, who are paying their vocation diligently and forswearing their recruits to Ohio.

## MEETING OF THE COUNCIL.

Election of Additional Policemen.

Pursuant to adjournment, the General Council met at the usual hour last evening. A communication was read from the Mayor, asking the Council to repeal an ordinance passed October 26, 1855, entitled, "An ordinance providing for the transfer of stock on lost certificates of tax receipts."

Persons for the payment of their railroad tax received a receipt which is transferable for Nashville railroad stock, and a number of these receipts were lost, and persons upon filling affidavit were entitled to the stock.

The Mayor in his message states that \$40,000 worth of stock has been wrongfully obtained, while Mr. Ranny, Secretary of the Board, estimates it at \$100,000.

At half past 9 o'clock the Council went into joint session for the election of eight additional policemen. School Trustee for the Ninth ward and Councilman for the Third ward.

For policemen there were thirty three candidates, and after six ballots the following persons were elected: Bur. Justa, David Needy, B. H. Hall, J. H. Winston, Wm. Ellipwell, Henry O'Neal, W. H. Boyce and C. H. Brown. For School Trustee there were two nominations, James Gilbert and J. L. Brown. The former was elected by a vote of twenty to three.

For Councilman there were three nominations, Phil. Gorman, Pat. Campion and J. Robinson. Pat. Campion was elected on the second ballot.

Without transacting other business of importance, the Council adjourned to meet again on the 25th of August.

ERINHILLAS AT LONG RUN.—About ten o'clock Wednesday night a party of four guerrillas entered the little town of Long Run. They went to the residence of J. G. Malone, of that place, and made him get up and open the doors of his store, which they entered. After this they inquired of Malone what were his politics, to which question Mr. Malone replied that he was a Union man. They told Mr. Malone that he had been reported to them as a Lincoln man. Mr. Malone stated that he was no Lincoln man, but that he was a Union man. After this they helped themselves to what goods they wanted that were in the store. As they started off with the goods of Mr. Malone, they told him if they found out that he was a good Southern rights man they would return and pay him for his goods. A short distance from the store of Mr. Malone there were thirty guerrillas, and those who visited his store were only the advance of the party. This party staid in the neighborhood for several hours, during which time they succeeded in capturing a number of horses.

After leaving Long Run the entire party, which is said to number some fifty men, moved off in the direction of Fisherville. On the road between the two places they met a young man, whose name our informant did not learn, and robbed him of \$25 in money, besides a watch. The leader of the band stated, that it was their intention to go to Fisherville, where they expected to get some recruits and a number of horses.

MILITARY CHANGES.—A special dispatch to the Cincinnati Gazette says that Brigadier General Wm. Birney has been relieved from the command of the Florida department by Gen. John P. Hatch, and ordered to report to Gen. Butler at Fort Monroe. He will probably be assigned to the command of the colored troops in Gen. Butler's department. Gen. E. E. Potter has been assigned to the command of the district of Hilton Head.

The Killing of a Negro Man by a White Boy—The Examination of the Accused—He is Discharged.

Wednesday morning, Asaro, a slave of Brys & McCampbell, was killed on Market street, above Brook, by a white boy, not over fourteen years of age, named Louis Schoenfeld, who was yesterday arrested.

Young Schoenfeld, who was before the Police Court on the charge of killing the negro, the following is the testimony as elicited before the examining Court:

John S. Byers called—Myself and Robert McCampbell owned a slave named Asaro, between sixteen and seventeen years of age. He was killed on Wednesday by a stab in the breast over the heart. He was hired employed as a porter in my store. He was a stout healthy boy of his age.

James C. Gill called—I held an inquest on Wednesday upon the body of Asaro, a slave of Brys & McCampbell; found a wound (a stab) in the left side near the nipple.

The wound was made with a knife.

He was a boy about 16 years old, and I think Asaro died from that wound. Could not find with a probe that the knife had passed between the ribs.

Herman Hultz called—On Wednesday before the inquest upon the body of Asaro, a slave of Brys & McCampbell, I witnessed a difficulty between the accused and the deceased. I was near them. I saw some little boys go into the wagon-yard to get some stones, and when they came out I saw that the boy Asaro had picked up a rock, and the deceased picked up a brick. At this time the accused told the deceased if he hit the boy he would not hit him again, and I then made a third party to look on. The deceased then started off, and deceased threw a rock at him, which injured him. The deceased then went into a grocery near by and died.

Ernest Brice, witness—Wednesday I was sitting in my room when a difficulty occurred between accused and deceased. When I first discovered them, deceased had been stabbed.

I saw the blood on his breast and saw him throw two stones or bricks at the accused.

The accused then picked up a rock, and I looked around and discovered that the deceased was stabbed, and accused had been struck on the head. I saw the blood on the deceased's breast, and saw the accused rubbing his head. They were about ten feet apart.

Asaro turned to look at them, and deceased started off, and deceased threw a rock at him, which injured him. The deceased then went into a grocery near by and died.

John S. Eason called—I held an inquest on Wednesday upon the body of Asaro, a slave of Brys & McCampbell; found a stab wound in the left side.
